

Riverwood Therapeutic Riding Center Summer 2009

Are you looking for a safe, fun and educational opportunity for your child this summer?

Check out our Summer Riding Lesson programs that we offer to children in our community. Our riding lessons are available to any typical or disabled individual in the area. For more information, contact us at 922-6426 or email at rtrc@windstream.net

STUDENT INTERNSHIP OPPORTUNITY: FULL, please call for waiting list

For advanced riders over the age of 13, we will be offering an instructor assistant opportunity on Wednesday and Thursday mornings. Those individuals who have advanced riding and horse experience will have the opportunity to be at the barn for several hours to assist the instructors with lessons, horse care and training, barn management and participate in their own riding lesson. We are offering this opportunity to 6 interested individuals. If your teenager is interested in this program, please call Laura to set up an interview and hold your spot. This opportunity requires that students be responsible and committed. Students must arrive at 8:00 AM and be picked up by 1:00 PM. The fee for this learning opportunity is \$275 for the 7 week period. This is an outstanding opportunity for those interested in pursuing a career in therapeutic riding or who just want more experience with horses and farm management. A riding lesson will be provided each day they are working. For students who participated last year, this will be an even more involved internship!

SUMMER RIDING LESSON SCHEDULE

Our summer lesson program is 7 weeks from June 15 through July 31, 2009. Lessons are available to children 3 ½ and older: all levels of riders from very beginner to intermediate are accepted! The cost, schedule and registration information is listed below. The following schedule and pricing are for our Therapeutic and Able-Bodied riding programs. If you are interested in one on one hippotherapy with a certified PT, please call the office.

Group Lessons are 1 hour and available for 2-5 riders.

The cost for the 7 week session is \$175. The summer session will be theme based and will consist of a variety of hands on activities and take home projects (all on horseback, of course!). A deposit of \$100 will be required to hold a spot with the final amount due by May 22, 2009. If you sign up after May 22, the full amount will be required upon registration. Refunds of 80% will be given if you cancel before May 22; after May 22 an 80% refund will be given only if the spot can be filled off the waiting list.

If you have never ridden at Riverwood before, you will be required to pay a \$15 registration fee per family to cover paperwork and administrative fees. The registration fee is a one time only fee and you will not be charged again if you ride in the future

Note: Group lessons will be designed based on riders' level, age and abilities as far as scheduling will allow!
